Congratulations Q2'26 AVV Team Award Winner! In recognition of leading dynamic DMR station execution to successfully achieve PV/VV validation goals. Through flexible leadership, proactive coordination, and disciplined execution, ensured PV and VV teams had timely access to the right platforms—protecting test coverage, quality, and delivery commitments amid unstable silicon and demanding schedules. Great job!

This award honors the impact you have demonstrated through:

Results Driven

- We prioritize, focus and execute flawlessly with urgency.
- We make data-driven decisions with intellectual honesty and constructive debate; we disagree and commit.
- We assume responsibility to deliver long-term stakeholder value.

Sincerely,
